

Ms. Eveline Reid is a Principal with Vine Valuations Inc., a boutique business valuations and litigation support services firm with offices in Hamilton, Kitchener and Burlington serving lawyers and corporate clients throughout Southwestern Ontario.

Summary Overview

A Chartered Accountant (1992) and Chartered Business Valuator (1997 Silver Medalist), Eveline Reid has worked exclusively in business valuation, financial litigation and related matters since 1994. She has honed her skills working with Arthur Anderson in their business valuation and litigation support division and a specialized boutique valuation and litigation practice in Toronto. Prior to joining Vine Valuations Inc., Ms. Reid was a Principal with LECG Canada Limited.

Eveline Reid's experience includes reports for clients in both the private and public sectors including federal, provincial and municipal governments as well as companies in diverse industries such as manufacturing, high tech, hospitality, real estate and professional practices. Ms. Reid has also prepared reports and analyses in connection with mergers and acquisitions.

Business Valuations and Litigation Support Experience

Eveline Reid's expert business valuation and damages claims have been relied upon by the courts in cases related to:

- shareholder and matrimonial disputes
- shareholder oppression
- breach of contract
- breach of fiduciary duty claims
- product liability claims
- expropriation
- personal injury and wrongful death.

She has assisted legal counsel in developing questions for the examination and cross examination of witnesses during Examinations for Discovery, mediations and arbitrations and at trial and has also developed demonstrative evidence used at trial.
